

2011 Red Newt "Circle" Riesling

Double Gold Medal - New York State Wine & Food Classic! (09 Vintage)

Red Newt Cellars is a small winery on the south east shore of Seneca Lake, in the Finger Lakes region of New York. The wine in the bottle shows off a classic Finger Lakes style, expressing bright aromas of tangerine and honeysuckle with an elegant palate of citrus and peach. The wine - and the price - are great, and represent one of the best Riesling values in North America.

The 2011 vintage offered up luscious tropical fruit, medium sweetness, and a characteristically vibrant acidic backbone. This Riesling is a blend of several vineyard plots with fermentation stopped at varying sweetnesses. Following this procedure, all were blended together.

2009 Vintage - Wine & Spirits Magazine - 93 Points / Best Buy
2009 Vintage - Wine Spectator - 86 points / Wine Pick of the Day

Round and easy, with an off-dry edge to the pear and green apple notes, backed by a twinge of kiwifruit that adds some nice snap to the finish. (WS - James Molesworth, 12/15/10)

"There's no shortage of crisp whites and good values coming out of the Finger Lakes in upstate New York, and Red Newt owners David and Debra Whiting are among the most quality-conscious winery owners in this scenic region. Located on the east side of Seneca Lake, Red Newt produces more than a dozen reds and whites, but few are more successful than Riesling. Winemaker Dave Whiting made about 2,100 cases of the 2008. Fermented in stainless steel, the Circle Label is designed with a touch of residual sweetness, keeping it user-friendly for new Riesling drinkers as well as showcasing the winery's younger vineyards, which Whiting believes don't have the acid structure to support the drier-style bottlings the winery also produces. The result is a bright and refreshing off-dry wine with a candied lime peel edge to apple, pear, fig and anise notes." (Wine Spectator - "500 Great Buys," Kim Marcus, 10/15/09)

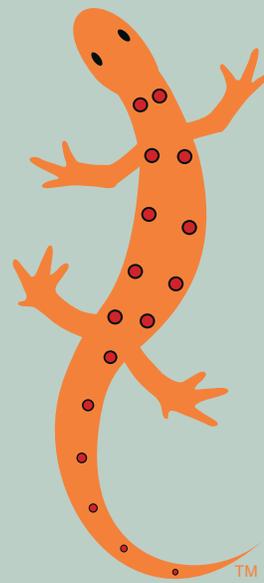

"If you're new to the region's wines and want to dip your toe in the water, try the "Circle Label" bottling from Red Newt-it's an exceptional value, and winemaker Dave Whiting has slowly increased production to its current 2,100 case level. Whiting produces the wine in a slightly off-dry style, both to entice drinkers new to Riesling as well as to showcase his younger vineyards, which he feels don't have the acid structure to support the drier-style bottlings he also produces."
